NOTE: All questions that address requirements contain the citation for the source of the requirement (statute, regulation, NOFA, or grant agreement). If the requirement is not met, HUD must make a finding of noncompliance. All other questions (questions that do not contain the citation for the requirement) do not address requirements, but are included to assist the reviewer in understanding the participant's program more fully and/or to identify issues that, if not properly addressed, could result in deficient performance. Negative conclusions to these questions may result in a "concern" being raised, but not a "**finding**."

Instructions: This Exhibit is designed to review the RHED program participant's equipment management policies for compliance with the RHED Grant Agreement, Article I, Sections D and E. The RHED Grant Agreement requires compliance with the Office of Management and Budget's (OMB's) uniform administrative requirements at 24 CFR Part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations) and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally recognized Indian tribal governments). This Exhibit is divided into three sections: Sample Selection; Equipment Management; and Equipment Disposition. If the program participant's accounting system includes information on equipment acquired with RHED funds, such information can be used as a starting point for selecting a representative sample of equipment transactions to review, following the guidance in Section 16-3 of the introduction to this Chapter.
